EYE CONTACT: May cause irritation. Irrigate eye with water for at least 15 to 20 minutes. Seek medical attention if symptoms persist.
SKIN CONTACT: Prolonged or repeated contact is not likely to cause significant skin irritation. Material is sometimes encountered at elevated temperatures. Thermal burns are possible.
INGESTION: No hazards anticipated from ingestion incidental to industrial exposure.

4. First Aid Measures

EYES: Irrigate eyes with a heavy stream of water for at least 15 to 20 minutes.
SKIN: Wash exposed areas of the body with soap and water.
INHALATION: Remove from area of exposure; seek medical attention if symptoms persist.
INGESTION: Give one or two glasses of water to drink. If gastro-intestinal symptoms develop, consult medical personnel. (Never give anything by mouth to an unconscious person.)

Store biodiesel soaked rags or spill absorbents in approved safety containers and dispose of properly. Oil soaked rags may be washed with soap and water and allowed to dry in well ventilated area. Firefighters should use self-contained breathing apparatus to avoid exposure to smoke and vapor.

6. Accidental Release Measures Spill Clean-Up Procedures

Remove sources of ignition, contain spill to smallest area possible. Stop leak if possible. Pick up small spills with absorbent materials and dispose of properly to avoid spontaneous combustion (see unusual fire and explosion hazards above). Recover large spills for salvage or disposal. Wash hard surfaces with safety solvent or detergent to remove remaining oil film. Greasy nature will result in a slippery surface.

MATERIAL SAFETY DATA SHEET

ENCAP OIL

1. Chemical Product

General Product Name: **ENCAP OIL.**
Synonyms: Methyl Soyate, Rapeseed Methyl Ester (RME), Methyl Tallowate
Product Description: Methyl esters from lipid sources
CAS Number: Methyl Soyate: 67784-80-9; RME: 73891-99-3; Methyl Tallowate: 61788-71-2

2. Composition/Information on Ingredients

This product contains no hazardous materials.

3. Hazards Identification

Potential Health Effects:

INHALATION: Negligible unless heated to produce vapors. Vapors or finely misted materials may irritate the mucous membranes and cause irritation, dizziness, and nausea. Remove to fresh air.
EYE CONTACT: May cause irritation. Irrigate eye with water for at least 15 to 20 minutes. Seek medical attention if symptoms persist.
SKIN CONTACT: Prolonged or repeated contact is not likely to cause significant skin irritation. Material is sometimes encountered at elevated temperatures. Thermal burns are possible.
INGESTION: No hazards anticipated from ingestion incidental to industrial exposure.

4. First Aid Measures

EYES: Irrigate eyes with a heavy stream of water for at least 15 to 20 minutes.
SKIN: Wash exposed areas of the body with soap and water.
INHALATION: Remove from area of exposure; seek medical attention if symptoms persist.
INGESTION: Give one or two glasses of water to drink. If gastro-intestinal symptoms develop, consult medical personnel. (Never give anything by mouth to an unconscious person.)

5. Fire Fighting Measures

Flash Point (Method Used): 130.0 C or 266.0 F min (ASTM 93)
Flammability Limits: None known
EXTINGUISHING MEDIA: Dry chemical, foam, halon (may not be permissible in some countries), CO2, water spray (fog).
Water stream may splash the burning liquid and spread fire.
SPECIAL FIRE FIGHTING PROCEDURES: Use water spray to cool drums exposed to fire.
UNUSUAL FIRE AND EXPLOSION HAZARDS: Encap soaked rags or spill absorbents (i.e. oil dry, polypropylene socks, sand, etc.) can cause spontaneous combustion if stored near combustibles and not handled properly. Store biodiesel soaked rags or spill absorbents in approved safety containers and dispose of properly. Oil soaked rags may be washed with soap and water and allowed to dry in well ventilated area.
Firefighters should use self-contained breathing apparatus to avoid exposure to smoke and vapor.

6. Accidental Release Measures Spill Clean-Up Procedures

Remove sources of ignition, contain spill to smallest area possible. Stop leak if possible. Pick up small spills with absorbent materials and dispose of properly to avoid spontaneous combustion (see unusual fire and explosion hazards above). Recover large spills for salvage or disposal. Wash hard surfaces with safety solvent or detergent to remove remaining oil film. Greasy nature will result in a slippery surface.

7. Handling and Storage

| | |
|--|---|
| Store in closed containers between 50°F and 120°F. | Do not store or use near heat, spark, or flame, store out of sun. |
| Keep away from oxidizing agents, excessive heat, and ignition sources. | Do not puncture, drag, or slide this container. |
| Store and use in well ventilated areas. | Drum is not a pressure vessel; never use pressure to empty. |

8. Exposure Control/Personal Protection

RESPIRATORY PROTECTION: If vapors or mists are generated, wear a NIOSH approved organic vapor/mist respirator.
PROTECTIVE CLOTHING: Safety glasses, goggles, or face shield recommended to protect eyes from mists or splashing. PVC coated gloves recommended to prevent skin contact.

HEALTH HAZARD DATA

Threshold limit value: Estimated @ 2 mg/m3 (estimated for caustic solution).
Effects of Exposure:
Exposure: May aggravate existing skin and/or eye conditions on contact.
Inhalation: Inhalation of solution mist can cause mild irritation at 2 mg/m3. More severe burns and tissue damage at the upper respiratory tract can occur at higher concentrations. Pneumonitis can result from severe exposures.
Skin Contact: Major potential hazard-contact with the skin can cause severe burns with deep ulceration's. Contact with solution or mist can cause multiple burns with temporary loss of hair at burn site. Solution may not cause irritation and burning for several hours.
Eye Contact: Major potential hazard-liquid in the eye can cause severe destruction and blindness. These effects can occur rapidly, effecting all parts of the eye. Mist or dust can cause irritation with high concentrations, causing destructive burns.
Ingestion: Ingestion of sodium hydroxide can cause severe burning and pain in lips, mouth, tongue, throat and stomach. Severe scarring of the throat can occur after swallowing. Death can result from ingestion.
DO NOT induce vomiting due to risk of aspiration

EMERGENCY AND FIRST AID PROCEDURES:

Inhalation: Move person to fresh air. If breathing stops, administer artificial respiration. Get medical attention immediately.
Skin: Remove contaminated clothing immediately and wash skin thoroughly for a minimum of 15 minutes with large quantities of water (preferably a safety shower). Get medical attention immediately.
Eyes: Wash eyes immediately with large amounts of water (preferably eye wash fountain), lifting the upper and lower eyelids and rotating eyeball. Continue washing for a minimum of 15 minutes. Get medical attention immediately.
Ingestion: If person is conscious, give large quantities of water to dilute caustic. Do not induce vomiting. Get medical attention immediately. Do not give anything by mouth to an unconscious person.
Chronic toxicity: N/A

INSTABILITY/REACTIVITY

Stability: Stable
Conditions to avoid: Mixture with acid or incompatible materials can cause splattering and release of large amounts of heat. Will react with some metals forming flammable hydrogen gas.
Incompatibility: Chlorinated and fluorinated hydrocarbons (i.e., chloroform, difluoroethane), acetaldehyde, acrolein, aluminum, chlorine trifluoride, hydroquinone, maleic anhydride, phosphorous pentoxide and tetrahydrofuran..
Hazardous decomposition products: May liberate carbon monoxide and oxides of nitrogen.
Hazardous polymerization: Will not occur.

PERSONAL PROTECTION AND CONTROLS

Respiratory protection: Where concentrations exceed or are likely to exceed 2mg/m3 use a NIOSH/MSHA approved high-efficiency particulate filter with full face piece or self-contained breathing apparatus. Follow any applicable respirator use standards and regulations.
Ventilation: As necessary to maintain concentration in air below 2mg/m3 at all times.
Skin protection: Wear neoprene, PVC or rubber gloves; PVC rain suit; rubber boots with pant legs over boots.
Eye protection: Chemical goggles which are splashproof and faceshield.
Hygiene: Avoid contact with skin and avoid breathing mist. Do not eat, drink or smoke in work area. Wash hands prior to eating, drinking or using restroom. Any protective clothing or shoes which become contaminated with caustic, should be removed immediately and thoroughly laundered before wearing again.
Other control measures: Safety shower and eyewash station must be located in immediate work area. To determine the exposure level(s), monitoring should be performed regularly. Note: Protective equipment and clothing should be selected, used and maintained according to applicable standards and regulations.

Additional Information:

Taxes, Fees and Surcharges - Includes government fees and taxes that we collect and are required by federal, state or local law to remit to the appropriate governmental entity (including, but not limited to, sales, use, excise, public utility, and E911). This section may also include certain fees and costs incurred by us as a result of providing service, such as universal service fees (USF). We elect to collect them in order to recover or help defray the costs we incur. These fees, and what is included in the fees, may vary by locale and may change from time to time without notice.

Regulatory Programs Fee - We collect and retain this fee to recover some of the costs we incur to comply with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling. We may impose the fee whether or not the benefits of any or all of these mandates and programs are available to you in your location.

Late Fees - May apply on past due amounts not paid by the date on page 1 of your statement. See your rate plan for details. Late fee charges are liquidated damages and are not a penalty.

Payment By Check - When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the same day we receive your payment, and your cancelled check will not be returned. Please contact 1-800-937-8997 with questions.

If you enroll, the following terms and conditions apply: You authorize T-Mobile to withdraw from your bank account or charge your credit or debit card for the monthly charges associated with your account (including your rate plan charge, add-on services selected, incidental purchases, plus applicable taxes, fees and surcharges). We will withdraw funds or charge your card 3 days before the due date on your account. You may stop a withdrawal or charge by giving us at least 3 business days notice before the scheduled date of withdrawal or charge. You have the right to receive notice of all varying transfers from your bank account. We are not liable for losses of any kind as a result of an error in your account or a delayed transfer or charge. You must promptly notify us in writing of any changes to your EasyPay information and our only liability is to make appropriate changes after we receive your updated information. T-Mobile may change these Terms and Conditions at any time by giving you notice by any means. EasyPay can be terminated with reasonable notice by either party and all transactions authorized before termination will be completed. Check with your bank for any additional charges or fees. We elect to collect them in order to recover or help defray the costs we incur. These fees, and what is included in the fees, may vary by locale and may change from time to time without notice.

Regulatory Programs Fee - We collect and retain this fee to recover some of the costs we incur to comply with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling. You may stop a withdrawal or charge by giving us at least 3 business days notice before the scheduled date of withdrawal or charge. You have the right to receive notice of all varying transfers from your bank account. We are not liable for losses of any kind as a result of an error in your account or a delayed transfer or charge. You must promptly notify us in writing of any changes to your EasyPay information and our only liability is to make appropriate changes after we receive your updated information. T-Mobile may change these Terms and Conditions at any time by giving you notice by any means. Additional Information:

Taxes, Fees and Surcharges - Includes government fees and taxes that we collect and are required by federal, state or local law to remit to the appropriate governmental entity (including, but not limited to, sales, use, excise, public utility, and E911). This section may also include certain fees and costs incurred by us as a result of providing service, such as universal service fees (USF). We elect to collect them in order to recover or help defray the costs we incur. These fees, and what is included in the fees, may vary by locale and may change from time to time without notice.

Regulatory Programs Fee - We collect and retain this fee to recover some of the costs we incur to comply with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling. We may impose the fee whether or not the benefits of any or all of these mandates and programs are available to you in your location.

Equipment Protect by Asurion is for the equipment repair and replacement program you may have selected. See [Equipment Protection Terms and Conditions](#) at T-Mobile.com for program details.

Late Fees - May apply on past due amounts not paid by the date on page 1 of your statement. See your rate plan for details. Late fee charges are liquidated damages and are not a penalty.

Payment By Check - When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the same day we receive your payment, and your cancelled check will not be returned. Please contact 1-800-937-8997 with questions.

If you enroll, the following terms and conditions apply: You authorize T-Mobile to withdraw from your bank account or charge your credit or debit card for the monthly charges associated with your account (including your rate plan charge, add-on services selected, incidental purchases, plus applicable taxes, fees and surcharges). We will withdraw funds or charge your card 3 days before the due date on your account. You may stop a withdrawal or charge by giving us at least 3 business days notice before the scheduled date of withdrawal or charge. You have the right to receive notice of all varying transfers from your bank account. We are not liable for losses of any kind as a result of an error in your account or a delayed transfer or charge. You must promptly notify us in writing of any changes to your EasyPay information and our only liability is to make appropriate changes after we receive your updated information. T-Mobile may change these Terms and Conditions at any time by giving you notice by any means. You have the right to receive notice of all varying transfers from your bank account. We are not liable for losses of any kind as a result of an error in your account or a delayed transfer or charge. You must promptly notify us in writing of any changes to your EasyPay information and our only liability is to make appropriate changes after we receive your updated information. T-Mobile may change these Terms and Conditions at any time by giving you notice by any means. Regulatory Programs Fee - We collect and retain this fee to recover some of the costs we incur to comply with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling. You have the right to receive notice of all varying transfers from your bank account. We are not liable for losses of any kind as a result of an error in your account or a delayed transfer or charge. You must promptly notify us in writing of any changes to your EasyPay information and our only liability is to make appropriate changes after we receive your updated information. Additional Information:

Taxes, Fees and Surcharges - Includes government fees and taxes that we collect and are required by federal, state or local law to remit to the appropriate governmental entity (including, but not limited to, sales, use, excise, public utility, and E911). This section may also include certain fees and costs incurred by us as a result of providing service, such as universal service fees (USF). We elect to collect them in order to recover or help defray the costs we incur. These fees, and what is included in the fees, may vary by locale and may change from time to time without notice.

Regulatory Programs Fee - We collect and retain this fee to recover some of the costs we incur to comply with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling. We may impose the fee whether or not the benefits of any or all of these mandates and programs are available to you in your location.

Equipment Protect by Asurion is for the equipment repair and replacement program you may have selected. See Equipment Protection Terms and Conditions at T-Mobile.com for program details.

Late Fees - May apply on past due amounts not paid by the date on page 1 of your statement. See your rate plan for details. Late fee charges are liquidated damages and are not a penalty.

Payment By Check - When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the same day we receive your payment, and your cancelled check will not be returned. Please contact 1-800-937-8997 with questions.

EasyPay - EasyPay is an automatic monthly payment feature. If you enroll, the following terms and conditions apply: You authorize T-Mobile to withdraw from your bank account or charge your credit or debit card for the monthly charges associated with your account (including your rate plan charge, add-on services selected, incidental purchases, plus applicable taxes, fees and surcharges). We will withdraw funds or charge your card 3 days before the due date on your account. You may stop a withdrawal or charge by giving us at least 3 business days notice before the scheduled date of withdrawal or charge. You have the right to receive notice of all varying transfers from your bank account. We are not liable for losses of any kind as a result of an error in your account or a delayed transfer or charge. You must promptly notify us in writing of any changes to your EasyPay information and our only liability is to make appropriate changes after we receive your updated information. T-Mobile may change these Terms and Conditions at any time by giving you notice by any means. EasyPay can be terminated with reasonable notice by either party and all transactions authorized before termination will be completed. Check with your bank for any additional charges or fees. To enroll, complete and mail the form below or visit www.T-Mobile.com and call 1-800-937-8997 with any questions.

Additional Information:

Taxes, Fees and Surcharges - Includes government fees and taxes that we collect and are required by federal, state or local law to remit to the appropriate governmental entity (including, but not limited to, sales, use, excise, public utility, and E911). This section may also include certain fees and costs incurred by us as a result of providing service, such as universal service fees (USF). We elect to collect them in order to recover or help defray the costs we incur. These fees, and what is included in the fees, may vary by locale and may change from time to time without notice.

Regulatory Programs Fee - We collect and retain this fee to recover some of the costs we incur to comply with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling. We may impose the fee whether or not the benefits of any or all of these mandates and programs are available to you in your location.

Equipment Protect by Asurion is for the equipment repair and replacement program you may have selected. See Equipment Protection Terms and Conditions at T-Mobile.com for program details.

Late Fees - May apply on past due amounts not paid by the date on page 1 of your statement. See your rate plan for details. Late fee charges are liquidated damages and are not a penalty.

Payment By Check - When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the same day we receive your payment, and your cancelled check will not be returned. Please contact 1-800-937-8997 with questions.

EasyPay - EasyPay is an automatic monthly payment feature. If you enroll, the following terms and conditions apply: You authorize T-Mobile to withdraw from your bank account or charge your credit or debit card for the monthly charges associated with your account (including your rate plan charge, add-on services selected, incidental purchases, plus applicable taxes, fees and surcharges). We will withdraw funds or charge your card 3 days before the due date on your account. You may stop a withdrawal or charge by giving us at least 3 business days notice before the scheduled date of withdrawal or charge. You have the right to receive notice of all varying transfers from your bank account. We are not liable for losses of any kind as a result of an error in your account or a delayed transfer or charge. You must promptly notify us in writing of any changes to your EasyPay information and our only liability is to make appropriate changes after we receive your updated information. T-Mobile may change these Terms and Conditions at any time by giving you notice by any means. EasyPay can be terminated with reasonable notice by either party and all transactions authorized before termination will be completed. Check with your bank for any additional charges or fees. Additional Information:

Taxes, Fees and Surcharges - Includes government fees and taxes that we collect and are required by federal, state or local law to remit to the appropriate governmental entity (including, but not limited to, sales, use, excise, public utility, and E911). This section may also include certain fees and costs incurred by us as a result of providing service, such as universal service fees (USF). We elect to collect them in order to recover or help defray the costs we incur. These fees, and what is included in the fees, may vary by locale and may change from time to time without notice.

Regulatory Programs Fee - We collect and retain this fee to recover some of the costs we incur to comply with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling. We may impose the fee whether or not the benefits of any or all of these mandates and programs are available to you in your location.

Equipment Protect by Asurion is for the equipment repair and replacement program you may have selected. See [Equipment Protection Terms and Conditions](#) at T-Mobile.com for program details.

Late Fees - May apply on past due amounts not paid by the date on page 1 of your statement. See your rate plan for details. Late fee charges are liquidated damages and are not a penalty.

Payment By Check - When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the same day we receive your payment, and your cancelled check will not be returned. Please contact 1-800-937-8997 with questions.

EasyPay - EasyPay is an automatic monthly payment feature. If you enroll, the following terms and conditions apply: You authorize T-Mobile to withdraw from your bank account or charge your credit or debit card for the monthly charges associated with your account (including your rate plan charge, add-on services selected, incidental purchases, plus applicable taxes, fees and surcharges). We will withdraw funds or charge your card 3 days before the due date on your account. You may stop a withdrawal or charge by giving us at least 3 business days notice before the scheduled date of withdrawal or charge. You have the right to receive notice of all varying transfers from your bank account. We are not liable for losses of any kind as a result of an error in your account or a delayed transfer or charge. You must promptly notify us in writing of any changes to your EasyPay information and our only liability is to make appropriate changes after we receive your updated information. T-Mobile may change these Terms and Conditions at any time by giving you notice by any means. EasyPay can be terminated with reasonable notice by either party and all transactions authorized before termination will be completed. Check with your bank for any additional charges or fees. Additional Information:

Taxes, Fees and Surcharges - Includes government fees and taxes that we collect and are required by federal, state or local law to remit to the appropriate governmental entity (including, but not limited to, sales, use, excise, public utility, and E911). This section may also include certain fees and costs incurred by us as a result of providing service, such as universal service fees (USF). We elect to collect them in order to recover or help defray the costs we incur. These fees, and what is included in the fees, may vary by locale and may change from time to time without notice.

Regulatory Programs Fee - We collect and retain this fee to recover some of the costs we incur to comply with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling. We may impose the fee whether or not the benefits of any or all of these mandates and programs are available to you in your location.

Equipment Protect by Asurion is for the equipment repair and replacement program you may have selected. See Equipment Protection Terms and Conditions at T-Mobile.com for program details.

Late Fees - May apply on past due amounts not paid by the date on page 1 of your statement. See your rate plan for details. Late fee charges are liquidated damages and are not a penalty.

Payment By Check - When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the same day we receive your payment, and your cancelled check will not be returned. Please contact 1-800-937-8997 with questions.

EasyPay - EasyPay is an automatic monthly payment feature. If you enroll, the following terms and conditions apply: You authorize T-Mobile to withdraw from your bank account or charge your credit or debit card for the monthly charges associated with your account (including your rate plan charge, add-on services selected, incidental purchases, plus applicable taxes, fees and surcharges). We will withdraw funds or charge your card 3 days before the due date on your account. You may stop a withdrawal or charge by giving us at least 3 business days notice before the scheduled date of withdrawal or charge. You have the right to receive notice of all varying transfers from your bank account. We are not liable for losses of any kind as a result of an error in your account or a delayed transfer or charge. You must promptly notify us in writing of any changes to your EasyPay information and our only liability is to make appropriate changes after we receive your updated information. T-Mobile may change these Terms and Conditions at any time by giving you notice by any means. EasyPay can be terminated with reasonable notice by either party and all transactions authorized before termination will be completed. Check with your bank for any additional charges or fees. Additional Information:

Taxes, Fees and Surcharges - Includes government fees and taxes that we collect and are required by federal, state or local law to remit to the appropriate governmental entity (including, but not limited to, sales, use, excise, public utility, and E911). This section may also include certain fees and costs incurred by us as a result of providing service, such as universal service fees (USF). We elect to collect them in order to recover or help defray the costs we incur. These fees, and what is included in the fees, may vary by locale and may change from time to time without notice.

Regulatory Programs Fee - We collect and retain this fee to recover some of the costs we incur to comply with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling. We may impose the fee whether or not the benefits of any or all of these mandates and programs are available to you in your location.

Late Fees - May apply on past due amounts not paid by the date on page 1 of your statement. See your rate plan for details. Late fee charges are liquidated damages and are not a penalty.

Payment By Check - When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the same day we receive your payment, and your cancelled check will not be returned. Please contact 1-800-937-8997 with questions.

EasyPay - EasyPay is an automatic monthly payment feature. If you enroll, the following terms and conditions apply: You authorize T-Mobile to withdraw from your bank account or charge your credit or debit card for the monthly charges associated with your account (including your rate plan charge, add-on services selected, incidental purchases, plus applicable taxes, fees and surcharges). We will withdraw funds or charge your card 3 days before the due date on your account. You may stop a withdrawal or charge by giving us at least 3 business days notice before the scheduled date of withdrawal or charge. You have the right to receive notice of all varying transfers from your bank account. We are not liable for losses of any kind as a result of an error in your account or a delayed transfer or charge. You must promptly notify us in writing of any changes to your EasyPay information and our only liability is to make appropriate changes after we receive your updated information. T-Mobile may change these Terms and Conditions at any time by giving you notice by any means. EasyPay can be terminated with reasonable notice by either party and all transactions authorized before termination will be completed. Check with your bank for any additional charges or fees. Taxes, Fees and Surcharges - This section includes applicable federal, state and local taxes, fees and surcharges that have been imposed on you or us for your service. We collect these taxes, fees and surcharges and, unless otherwise noted, remit them to the appropriate governmental entity.

Universal Service assessments - Although not taxes or government assessments imposed directly on the customer, these charges recover contributions we make to federal and state funds related to universal service. These funds generally support telecommunications services in high-cost areas, for low-income customers, or for specialized users such as schools and rural health care providers. These charges change as contributions to the funds change.

Regulatory Programs Fee - We elect to collect and retain this Fee to help recover a portion of our costs incurred to satisfy certain federal government mandates and programs related to customers, including, without limit, wireless number pooling, local number portability and E911. We may impose the Fee whether or not all or some services are used, or available to you, or in your location.

Late Fee - Pursuant to the T-Mobile Terms and Conditions, we may apply a late fee charge per month of \$5 or 1.5%, or the most permitted by law on any past due balance not paid by the date shown on page 1 of your statement. Late fee charges are liquidated damages and are not a penalty.

Easy Pay Option-Automatic Monthly Payment Terms and Conditions - With Easy Pay you authorize us to collect payment for your monthly bill by automatically withdrawing the amount due from your bank account or charging a designated credit/debit card. To enroll: 1) visit www.T-Mobile.com; 2) complete and mail the application form below; or 3) call 1-800-937-8997 or 611 from your T-Mobile phone. You agree to review each bill and give us timely notice of any disputed charges. Funds will be transferred from your account or charges will be made to your card 3 days before your bill due date (settlement date). You may stop an electronic fund transfer (EFT) by giving us or your bank or card issuer at least 3 business days notice before the settlement date. We are not liable for losses of any kind as a result of an error in your bill or a delayed transfer or card charge. You must immediately notify us in writing of any changes to your EasyPay information. We are not liable for losses incurred due to your failure to notify us and our only liability to you is to make appropriate changes after we receive your written notice. We may change these EasyPay Terms and Conditions at any time. Notice may be given on or with your bill or by other means. You or we may terminate Easy Pay at any time by giving written notice to the other reasonably in advance of the termination date and of any settlement date. Termination will not reverse a debit transaction authorized before a termination notice. You may be bound by your bank or card issuer rules regarding pre-authorized EFT or card charges. Ask your bank if they charge fees for this type of payment.

Disputed Charges - You waive your right to dispute a charge (including taxes, fees and surcharges), unless you notify us within 60 days from the date of the first bill containing the disputed charge.

Questions about your bill? Please call (800) 937-8997 or 611 from your T-Mobile phone. You may also write to T-Mobile Customer Relations, PO Box 37380, Albuquerque, NM 87176-7380 or send an email via our website at <http://www.t-mobile.com/contact>. **CA customers**, if you have a complaint you cannot resolve with us, write the California Public Utilities Commission at Consumer Affairs Branch, 505 Van Ness Ave., San Francisco, CA 94102, or at www.cpuc.ca.gov, or call 1-800-649-7570 or TDD 1-800-229-6846. Additional Information:

Taxes, Fees and Surcharges - Includes government fees and taxes that we collect and are required by federal, state or local law to remit to the appropriate governmental entity (including, but not limited to, sales, use, excise, public utility, and E911). This section may also include certain fees and costs incurred by us as a result of providing service, such as universal service fees (USF). We elect to collect them in order to recover or help defray the costs we incur. These fees, and what is included in the fees, may vary by locale and may change from time to time without notice.

Regulatory Programs Fee - We collect and retain this fee to recover some of the costs we incur to comply with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling. We may impose the fee whether or not the benefits of any or all of these mandates and programs are available to you in your location.

Equipment Protect by Asurion is for the equipment repair and replacement program you may have selected. See Equipment Protection Terms and Conditions at T-Mobile.com for program details.

Late Fees - May apply on past due amounts not paid by the date on page 1 of your statement. See your rate plan for details. Late fee charges are liquidated damages and are not a penalty.

Payment By Check - When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the same day we receive your payment, and your cancelled check will not be returned. Please contact 1-800-937-8997 with questions.

EasyPay - EasyPay is an automatic monthly payment feature. If you enroll, the following terms and conditions apply: you authorize T-Mobile to withdraw from your bank account or charge your credit or debit card for the monthly charges associated with your account (including your rate plan charge, add-on services selected, incidental purchases, plus applicable taxes, fees and surcharges). We will withdraw funds or charge your card 3 days before the due date on your account. You may stop a withdrawal or charge by giving us at least 3 business days notice before the scheduled date of withdrawal or charge. You have the right to receive notice of all varying transfers from your bank account. We are not liable for losses of any kind as a result of an error in your account or a delayed transfer or charge. You must promptly notify us in writing of any changes to your EasyPay information and our only liability is to make appropriate changes after we receive your updated information. T-Mobile may change these Terms and Conditions at any time by giving you notice by any means. EasyPay can be terminated with reasonable notice by either party and all transactions authorized before termination will be completed. Check with your bank for any additional charges or fees. To enroll, complete and mail the form below or visit www.T-Mobile.com and call 800-937-8997 with any questions.

Additional Information:

Taxes, Fees and Surcharges - Includes government fees and taxes that we collect and are required by federal, state or local law to remit to the appropriate governmental entity (including, but not limited to, sales, use, excise, public utility, and E911). This section may also include certain fees and costs incurred by us as a result of providing service, such as universal service fees (USF). We elect to collect them in order to recover or help defray the costs we incur. These fees, and what is included in the fees, may vary by locale and may change from time to time without notice.

Regulatory Programs Fee - We collect and retain this fee to recover some of the costs we incur to comply with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling. We may impose the fee whether or not the benefits of any or all of these mandates and programs are available to you in your location.

Equipment Protect by Asurion is for the equipment repair and replacement program you may have selected. See Equipment Protection Terms and Conditions at T-Mobile.com for program details.

Late Fees - May apply on past due amounts not paid by the date on page 1 of your statement. See your rate plan for details. Late fee charges are liquidated damages and are not a penalty.

Payment By Check - When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the same day we receive your payment, and your cancelled check will not be returned. Please contact 1-800-937-8997 with questions.

EasyPay - EasyPay is an automatic monthly payment feature. If you enroll, the following terms and conditions apply: You authorize T-Mobile to withdraw from your bank account or charge your credit or debit card for the monthly charges associated with your account (including your rate plan charge, add-on services selected, incidental purchases, plus applicable taxes, fees and surcharges). We will withdraw funds or charge your card 3 days before the due date on your account. You may stop a withdrawal or charge by giving us at least 3 business days notice before the scheduled date of withdrawal or charge. You have the right to receive notice of all varying transfers from your bank account. We are not liable for losses of any kind as a result of an error in your account or a delayed transfer or charge. You must promptly notify us in writing of any changes to your EasyPay information and our only liability is to make appropriate changes after we receive your updated information. T-Mobile may change these Terms and Conditions at any time by giving you notice by any means. EasyPay can be terminated with reasonable notice by either party and all transactions authorized before termination will be completed. Check with your bank for any additional charges or fees. To enroll, complete and mail the form below or visit www.T-Mobile.com and call 1-800-937-8997 with any questions.

Taxes, Fees and Surcharges - This section includes applicable federal, state and local taxes, fees and surcharges that have been imposed on you or us for your service. We collect these taxes, fees and surcharges and, unless otherwise noted, remit them to the appropriate governmental entity.

Universal Service assessments - Although not taxes or government assessments imposed directly on the customer, these charges recover contributions we make to federal and state funds related to universal service. These funds generally support telecommunications services in high-cost areas, for low-income customers, or for specialized users such as schools and rural health care providers. These charges change as contributions to the funds change.

Regulatory Programs Fee - We elect to collect and retain this Fee to help recover a portion of our costs incurred to satisfy certain federal government mandates and programs related to customers, including, without limit, wireless number pooling, local number portability and E911. We may impose the Fee whether or not all or some services are used, or available to you, or in your location.

Late Fee - Pursuant to the T-Mobile Terms and Conditions, we may apply a late fee charge per month of \$5 or 1.5%, or the most permitted by law on any past due balance not paid by the date shown on page 1 of your statement. Late fee charges are liquidated damages and are not a penalty.

Easy Pay Option-Automatic Monthly Payment Terms and Conditions - With Easy Pay you authorize us to collect payment for your monthly bill by automatically withdrawing the amount due from your bank account or charging a designated credit/debit card. To enroll: 1) visit www.T-Mobile.com; 2) complete and mail the application form below; or 3) call 1-800-937-8997 or 611 from your T-Mobile phone. You agree to review each bill and give us timely notice of any disputed charges. Funds will be transferred from your account or charges will be made to your card 3 days before your bill due date (settlement date). You may stop an electronic fund transfer (EFT) by giving us or your bank or card issuer at least 3 business days notice before the settlement date. We are not liable for losses of any kind as a result of an error in your bill or a delayed transfer or card charge. You must immediately notify us in writing of any changes to your EasyPay information. We are not liable for losses incurred due to your failure to notify us and our only liability to you is to make appropriate changes after we receive your written notice. We may change these EasyPay Terms and Conditions at any time. Notice may be given on or with your bill or by other means. You or we may terminate Easy Pay at any time by giving written notice to the other reasonably in advance of the termination date and of any settlement date. Termination will not reverse a debit transaction authorized before a termination notice. You may be bound by your bank or card issuer rules regarding pre-authorized EFT or card charges. Ask your bank if they charge fees for this type of payment.

Disputed Charges - You waive your right to dispute a charge (including taxes, fees and surcharges), unless you notify us within 60 days from the date of the first bill containing the disputed charge.

Questions about your bill? Please call (800) 937-8997 or 611 from your T-Mobile phone. Taxes, Fees and Surcharges - This section includes applicable federal, state and local taxes, fees and surcharges that have been imposed on you or us for your service. We collect these taxes, fees and surcharges and, unless otherwise noted, remit them to the appropriate governmental entity.

Universal Service assessments - Although not taxes or government assessments imposed directly on the customer, these charges recover contributions we make to federal and state funds related to universal service. These funds generally support telecommunications services in high-cost areas, for low-income customers, or for specialized users such as schools and rural health care providers. These charges change as contributions to the funds change.

Regulatory Programs Fee - We elect to collect and retain this Fee to help recover a portion of our costs incurred to satisfy certain federal government mandates and programs related to customers, including, without limit, wireless number pooling, local number portability and E911. We may impose the Fee whether or not all or some services are used, or available to you, or in your location.

Late Fee - Pursuant to the T-Mobile Terms and Conditions, we may apply a late fee charge per month of \$5 or 1.5%, or the most permitted by law on any past due balance not paid by the date shown on page 1 of your statement. Late fee charges are liquidated damages and are not a penalty.

Easy Pay Option-Automatic Monthly Payment Terms and Conditions - With Easy Pay you authorize us to collect payment for your monthly bill by automatically withdrawing the amount due from your bank account or charging a designated credit/debit card. To enroll: 1) visit www.T-Mobile.com; 2) complete and mail the application form below; or 3) call 1-800-937-8997 or 611 from your T-Mobile phone. You agree to review each bill and give us timely notice of any disputed charges. Funds will be transferred from your account or charges will be made to your card 3 days before your bill due date (settlement date). You may stop an electronic fund transfer (EFT) by giving us or your bank or card issuer at least 3 business days notice before the settlement date. We are not liable for losses of any kind as a result of an error in your bill or a delayed transfer or card charge. You must immediately notify us in writing of any changes to your EasyPay information. We are not liable for losses incurred due to your failure to notify us and our only liability to you is to make appropriate changes after we receive your written notice. We may change these EasyPay Terms and Conditions at any time. Notice may be given on or with your bill or by other means. You or we may terminate Easy Pay at any time by giving written notice to the other reasonably in advance of the termination date and of any settlement date. Termination will not reverse a debit transaction authorized before a termination notice. You may be bound by your bank or card issuer rules regarding pre-authorized EFT or card charges. Ask your bank if they charge fees for this type of payment.

Disputed Charges - You waive your right to dispute a charge (including taxes, fees and surcharges), unless you notify us within 60 days from the date of the first bill containing the disputed charge.

Questions about your bill? Please call (800) 937-8997 or 611 from your T-Mobile phone. Taxes, Fees and Surcharges - This section includes applicable federal, state and local taxes, fees and surcharges that have been imposed on you or us for your service. We collect these taxes, fees and surcharges and, unless otherwise noted, remit them to the appropriate governmental entity.

Universal Service assessments - Although not taxes or government assessments imposed directly on the customer, these charges recover contributions we make to federal and state funds related to universal service. These funds generally support telecommunications services in high-cost areas, for low-income customers, or for specialized users such as schools and rural health care providers. These charges change as contributions to the funds change.

Regulatory Programs Fee - We elect to collect and retain this Fee to help recover a portion of our costs incurred to satisfy certain federal government mandates and programs related to customers, including, without limit, wireless number pooling, local number portability and E911. We may impose the Fee whether or not all or some services are used, or available to you, or in your location.

Late Fee - Pursuant to the T-Mobile Terms and Conditions, we may apply a late fee charge per month of \$5 or 1.5%, or the most permitted by law on any past due balance not paid by the date shown on page 1 of your statement. Late fee charges are liquidated damages and are not a penalty.

Easy Pay Option-Automatic Monthly Payment Terms and Conditions - With Easy Pay you authorize us to collect payment for your monthly bill by automatically withdrawing the amount due from your bank account or charging a designated credit/debit card. To enroll: 1) visit www.T-Mobile.com; 2) complete and mail the application form below; or 3) call 1-800-937-8997 or 611 from your T-Mobile phone. You agree to review each bill and give us timely notice of any disputed charges. Funds will be transferred from your account or charges will be made to your card 3 days before your bill due date (settlement date). You may stop an electronic fund transfer (EFT) by giving us or your bank or card issuer at least 3 business days notice before the settlement date. We are not liable for losses of any kind as a result of an error in your bill or a delayed transfer or card charge. You must immediately notify us in writing of any changes to your EasyPay information. We are not liable for losses incurred due to your failure to notify us and our only liability to you is to make appropriate changes after we receive your written notice. We may change these EasyPay Terms and Conditions at any time. Notice may be given on or with your bill or by other means. You or we may terminate Easy Pay at any time by giving written notice to the other reasonably in advance of the termination date and of any settlement date. Termination will not reverse a debit transaction authorized before a termination notice. You may be bound by your bank or card issuer rules regarding pre-authorized EFT or card charges. Ask your bank if they charge fees for this type of payment.

Disputed Charges - You waive your right to dispute a charge (including taxes, fees and surcharges), unless you notify us within 60 days from the date of the first bill containing the disputed charge.

Questions about your bill? Please call (800) 937-8997 or 611 from your T-Mobile phone. You may also write to T-Mobile Customer Relations, PO Box 37380, Albuquerque, NM 87176-7380 or send an email via our website at <http://www.t-mobile.com/contact>. **CA customers**, if you have a complaint you cannot resolve with us, write the California Public Utilities Commission at Consumer Affairs Branch, 505 Van Ness Ave., San Francisco, CA 94102, or at www.cpuc.ca.gov, or call 1-800-649-7570 or TDD 1-800-229-6846. Subject: Draft PBR Registration for VOC/Water Separation Vessel

Please find attached the draft PBR registration package for the organic wastewater separation process. The information contained in this registration package is based on data and information communicated by CES regarding the intended operation of the process. Please review the draft document carefully, especially the process description and flow diagram and contact me with any questions or suggested changes. Please be aware that in order to meet the PBR limits, the thermal oxidizer destruction efficiency (95%) was applied to the emission estimates for the separator vessel. As such, the TCEQ requires the thermal oxidizer combustion temperature to be 1400 F. If you like I can add carbon as an alternate control method during thermal oxidizer down time. Otherwise, if the document meets with your approval, please sign the PI-7-CERT Form and return it to me along with a check for \$450.00 to cover the TCEQ registration fee. We will submit the registration package and provide you a copy for your compliance files.

This document was prepared for the purpose of obtaining TCEQ authorization for the construction and operation of the referenced process and its associated emissions under the State of Texas air quality permitting regulations. This document does not address compliance with any other environmental regulations or health and safety rules.

Thanks,
Phil Evans
